I have nothing to do on this sunny afternoon except to get naked and let some dude take pictures and another dudette take a video of me, and Jana. But you won't see her here in the pictures. Just me frolicking and stripping and playing with myself, just for you. Why? Because I have nothing to do on this fine afternoon but to imagine you naked, too.

# AALIYAH & TANYA & ZOEY

Aaliyah and Tanya were just hanging in bed making dinner plans when Zoey bursts in all nervous and excited. When she slowed down, she said she was in a car accident a couple hours ago. She was fine and her car is fine, the other people are fine but their car is not. She explained it all to the cops but now she needed to relax. The other two ladies agreed.

### *Man-love can wait*

It's Sunday morning and it's hard getting up. It was a fun Saturday night, but I don't remember much of it, just partying with the girls at the club. I was still feeling a little warm and fuzzy and my body finally awakens. Instinctively, I move my hand across the bed, feeling disappointed at the empty space beside me. Since meeting Steven a month ago, I had tried to see him whenever possible. As a consequence of my new relationship with him, I've seen considerably less of Chelsey, who apparently did not approve of 'her lover' being involved with a man.

Before exiting my warm bed, I place my hand upon my smooth, hairless mound, feeling a pleasant sensation flood through my body. 'I'm seeing Steven tonight,' I thought as I slid a finger into my wet pussy slit. Having not seen my new lover for five consecutive evenings, I finally felt the compulsion to orgasm, opening my legs and placing a finger on my clit's hood, sliding it down between my pink labia and onto my opening, feeling the moistness within. I insert a finger and close my eyes. Gently fucking myself, I move my other hand down and gently tug on my inner lips. Moving my finger from my increasingly wet orifice, I transferred some juice to my clit, softly stimulating it. Feeling good, I continued with my clitoral stimulation and reinserted a finger into my hole, quickly adding a second, gliding both of them slowly in and out as my juices began to flow more freely, covering my fingers.

Now I must open my legs wider, swaying my hips, pushing against my fingers, visualizing Steven's huge cock, imagining it gliding majestically in and out of my waiting pussy.

Minutes later, feeling that I was approaching a climax, I removed my finger from my now fully erect clit, and rubbed my slick fingers along my engorged pussy lips, then back to my button... feels so goooooood.

As my fingers pumped into my perfectly shaped pussy, I could feel the stupendous sensations beginning to dominate both my body and mind. I begin to gasp and moan as I writhe around on the bed; my entire nether regions tingling and becoming more pleasurable with each stroke. Finally, an orgasm hits me, pulsating dramatically through all the nerves in my body. I hear myself groan loudly as my pulsating pussy juices cover my fingers in yet more viscous fluid. I lay there shaking and breathing heavily. Gradually, I removed my fingers, running them up my soft, silky flesh, bringing them to rest on my breasts, where I'm caressing my pink nipples. "Look out Steven, tonight is going to be like you've never known, so you better be ready."

### *Honeymoon's over before it starts*

Our honeymoon in the Caribbean started out with a bang. My husband, Shelwin, and I were on the beach at Nassau watching the sunset when I told him I was going back to the room and he should come up very soon. With a big smile, I gathered my beach towel and gave him a deep tongue-kiss before head-

ing up. When I got to the room, I lit several aromatic candles and placed them on the dresser near the bed. I placed petals from the roses I bought at the hotel flower shop all over the bed, and put our favorite music on the stereo. I take a quick shower and make sure that I'm clean and smelling good for him.

I hear the door open and close as I finish in the bathroom. I call out to him, "Honey, come take a shower." He comes to the bathroom and I pull him in and start to undress him. That didn't take long as all he was wearing was his board shorts. I turn the shower back on and get it to just the right temperature for him. He gets in and I leave to finish prepping the bedroom. I put the bottle of wine and a couple glasses on the night stand, close the shades and turn down the lights. I climb into bed and wait for him. Finally, he comes out of the bathroom and over to me at the bed.

He extends his hand and pulls me off the bed. His body is warm and moist from the shower. I press against him and we kiss. He grabs my butt cheeks and we start to become even more passionate. I make soft moans as I pull him backwards towards the bed. I was wet already. He lay me on the bed but I sat up and before he could continue, I fondled my breasts with one hand and grabbed his cock with the other. It was already stiff and pointing right at my mouth. I take it and put it in my mouth halfway and started to suck. I began to deepthroat. I drooled all over his cock and started making slurping noises, rubbing my hand up and down his cock.

I pulled back and pushed him on the bed and straddled him. Then I lowered my wet pussy down onto his hard cock. Just as I was about to say something he grabbed my ass cheeks and began thrusting in and out of my pussy! Shel was fucking me so hard, I could hear his balls slap against my ass! Then he flipped me over and pushed my knees past my ears and began to drill my pussy like it was the last

time. In this position, his cock was banging really deep in my pussy.

Then he pulled out of me, and I was mad because I almost came! Then he shoved his cock as far as he could in my pussy and I made a loud gasp like I was about to drown! Finally he changed the pace going in and out of me slowly while rubbing my clit. It felt so good to make love with the love of my life. He began to drive in and out of me even faster now. My eyes rolled to the back of my head and I felt a rush of ecstasy run through my whole body. I had such an amazing orgasm as I felt his sperm shoot up into me and hit my cervix, it made me cum again. He kept fucking me slowly through my second orgasm.

He collapses on top of me and we flipped over and began to make out. We kiss and look fondly into each other's eyes. "I love you so much, Adam!" I whispered, and instantly realized what I just said. Oh shit.

"Who the fuck is Adam?!" he yelled. Oops.

— Nikki, Mobile, AL

### *A special retreat*

This is the story of my first, and only, one night stand. I'm forty-two and have only had a few real relationships since college. But I did have a long term relationship ended about six months ago and I've been horny ever since.

**40+:** First off, are you married or seeing someone?

**Angela:** No, and yes I am.

**40+:** Lucky guy. Does he have any apprehensions about doing what you do?

**Angela:** And what, exactly do you think I do.

**40+:** I mean, does he have any objections to you being in the adult business?

**Angela:** Well, I don't really think I'm in the adult business. I do some photo shoots, make a few videos and them go to Europe for a few months.

**40+:** That sounds great. Where do you go and what do you do in Europe?

I'd been working in Dallas with a team of about a dozen people in the marketing department of a major clothing retailer. Three of them were women, the rest were young guys all hell-bent on establishing their dominance. Most were recent hires, like myself, and so the department head decided that we needed to get away for a brain-storming session to a retreat in Taos, New Mexico. We'd be put up at a resort and open our minds with nature – and each other. He thought a bonding effect with the group would help us work better together. I was just hoping to get laid.

The accommodations are bungalows set in a desert landscape. All very pretty and somewhat spiritual feeling. We settled in the first night and met at 10 am for a communal breakfast the next morning. One of the girls, Marlene, who was originally from Tulsa and whose fiancé still lived there, and I got on very well. After our day-long meetings, she and I would spend a few hours in the Jacuzzi talking marketing and other things deep into the evening.

Our third and final night there, Marlene and I hit our regular spot at the hot tub. She confessed, after several drinks, that she wasn't sure whether she was ready to settle down with her fiancé just yet. I suggested that it was late and we should get back to our bungalows since we had to get up early in the morning to catch the shuttle to the airport. She said she was feeling sad and didn't want to be alone that night. I offered to escort her back to her bungalow. She asked me to come in. She said she did not want to go to sleep just yet.

Her clothes and suitcases were strewn on the chairs so we both had to sit on the bed. She looked at me and said I was a good guy. She put her arm around my shoulders and pulled me in for a quick hug. Releasing her hug, she let her hand rest on my thigh. I sat there quietly not wanting to take advantage of the situation, but that was not what she was thinking.

She stood up and removed her top to reveal a pert pair of breasts with magnificent nipples. Her hips were at my eye level. She took my hands from my lap and put them on her hips. Looking me, she whispered that I should take her pants off. I quickly undid her belt and pulled her jeans down and then her panties to leave her standing there completely naked. Not missing the clues, I then pushed her onto the bed and looked at her naked body.

I immediately disrobed and exposed an enormous erection and quickly laid next to her and started to kiss her breasts and nipples while I fingered her. Marlene's pussy was getting really wet so I went down and sucked her clit. I licked it for a good twenty minutes or so bringing her to the edge of orgasm many times, and then she came, very loudly. Then we lay silently for a few minutes and then she said that it was my turn. She moved and started to lick my knob. Then she then completely surprised me by moving over my body and lowering her pussy onto my cock.

She rode me very quickly with my cock going deep when she slowed or stopped to sit on it. At the pace she was going it wasn't going to take long before I shot so I asked her to slow down, but with a wry grin she speeded up and I emptied my balls deep into her pussy. We laid there with her on top, but I had to go. I dressed quickly and left. We didn't talk at work the whole next month.

– Taylor, Dallas, TX

**40+:** That's cool.

**Angela:** And after we get bored there, we head out to the Greek Islands. I hang out topless on Mykonos all day.

**40+:** Ahem, that sounds great. I was planning a trip to the south of France in June. Will you be there?

I had a great time working with Lucky and doing this photo shoot and making the video, too. He was a great lover and I loved sucking his cock and then taking it deep inside my pussy and ass. Adding the dildos and that great little butt plug to our sex today took me right over the top.

# an affair at the fair

I'm at the Texas State Fair this year working as a carny on the midway. It started last weekend and runs through the 23rd of October. The heat and humidity are high. And damn, there are a lot of people here. They told me that last year attendance almost hit two million visitors. That's larger than Dallas itself.

I'm on break and having lunch in one of the indoor venues to get out of the heat. Nothing special, just a corn dog, some chips and a soda. I have a view of the whole area and I noticed a pretty woman sitting close to the door. She was alone and maybe in her early to mid-twenties. She had blonde hair with just a few strands hanging over silver framed glasses. She was wearing a short pleated blue skirt and a t-shirt she had tied into a knot above her waist. The t-shirt logo identified her as a hostess from one of the restaurants here at the fair. She must have been on her lunch too.

Shortly after my food arrived, I had to use the rest room. I finished, washed my hands and dampened my face and headed out the rest room door. After I got back to my table I was surprised to see that she was sitting there munching on my chips. My heart started

pounding out of control. My face seemed to feel like it was flushing and my skin was getting clammy.

Up close like this I could see she was a stunner. Big blue eyes, full chest pushing against her t-shirt and tanned skin. She looked at me and asked if I was going to sit or just stand there all day. She said it's your table and all. So once I sat back down she asked me why I was staring at her earlier. I told her I was sorry but her beauty was so compelling that I could not help myself. She then told me she had to make a confession, that she had noticed me at my ride station because the restaurant she worked at was only two buildings away.

We talked a little more comparing Fair notes. She nibbled on more chips and suddenly she said she was feeling a little weird so she decided to go get some fresh air. I asked if she was okay and if I should go with her. She said that would be nice and I paid my tab as we passed out the front door. We walked for a short way when she saw some picnic tables set under a large canvas canopy. We walked to the one farthest back because it was under a large tree too, and it would be cooler. I had brought a wet nap with me and she took it and

*I cupped her full, firm boobs for a moment and then reached down and pulled her cotton panties down to her knees. I gently bit one of her ass cheeks, then the other,*

put it on her forehead.

Then she said she didn't want to keep me because I was probably due back at my station. I told her not to worry I had another half hour before my shift began again. We're sitting next to each other facing the empty lot full of tables and next thing I know I felt her hand rubbing the top of my leg and squeezing my upper thigh. I started caressing her other arm very gently, As I made my way up her arm, I reached her shoulder and started rubbing the base of her neck. That was when she squeezed even harder on the inner part of my thigh as she closed her eyes and sighed with pleasure. She then found my cock and started rubbing it over my pants. I could not believe this was happening. I ran my fingers up the back of her neck through her hair. I grabbed a hand full of her hair and gave it slight pull, she moaned a little bit more and so I rubbed a little bit harder.

That was when we just got into it like dogs in a frenzy. She grabbed my face and we started kissing each other rather sloppily, tongues exploring each other's mouth while my cock was getting harder and harder. My pants were getting tighter by the minute. That was when she unbuttoned and unzipped my pants and pushed me down on the bench of the picnic table. Once I was down, she pulled my pants down just enough to make sure my cock was

exposed enough for her. She started by grabbing my cock with one hand and stroking it with a firm hand. She looked at me from behind her slender glasses and licked her lips.

Looking around to be sure no one was coming, she lowered her head and put her mouth around my cock. She got into a momentum that was amazing. She then stuck her tongue out and took my cock right down her throat and her tongue touched my balls as she held them in her hand. I thought I was going to empty a load directly into her stomach, but she pulled my cock out of her mouth and pushed it up towards my chest to make my balls and ass more available. She then started licking my balls and sucking on them one at a time, then both all while stroking my cock. Then I felt her warm tongue touch my ass hole. I would have never thought that I would like it, but at this precise moment it felt totally amazing.

She continued licking my balls for a minute or more, then continued back up my cock licking it up to the tip. This continued for a few more minutes when I made her change places with me. I had her bend over so I could run my hands up the outside of her legs up to her thighs and up under t-shirt. She wasn't wearing a bra so my hands and fingers went unobstructed right to her nipples. I cupped her full, firm boobs for a moment and then reached down and pulled her cotton panties down to her knees. I gently bit one of her ass cheeks, then the other, groping them with each bite and spreading her ass cheeks to show her pussy and ass hole. I started rubbing her clit with my thumb as I was licking that spot between her ass hole and pussy. I then slowly started licking her pussy, pulling each lip out and sucking them while still rubbing her clit.

I then took a finger and slowly pushed it in her ass she moaned with pleasure.

I was finger fucking her pussy, going from one to two to three fingers as she moaned louder with each additional finger. After a few minutes, I rolled her over on the bench seat, raised her legs and removed her panties. Then I pushed her t-shirt above her breasts to expose her perfect boobs. I cupped her boobs and started sucking on her nipples one at a time, pinching each one in turn until her nipples were just as erect as my cock. I then straddled her and she wrapped her boobs around my cock and I fucked her boobs for a couple of minutes while the tip of my cock entered and exited her mouth.

I then move back down to her beautiful legs still in her sneakers. I spread her legs wider and put the tip of my cock at the opening of her smooth pussy and slowly pushed it into her making her scream into her arm trying not to make too much noise. "Deeper." she whispered, moaning with every slam into her pussy. With every thrust she would get closer to orgasm, rocking harder on my cock and then she tightened up. I felt her pussy squeeze my cock and her fingers digging into my ass as she climaxed. She then rolled over on the bench and told me to fuck her from behind. So I rammed my hard cock deep inside her pussy, smacking my balls off her clit. She moaned as she had one another orgasm, then another. They just kept cumming.

I reached for her boobs, slammed my cock even harder into her until she couldn't take anymore. At that moment my balls were so full I was ready to blow my load. I started grunting as if I was going to explode and she pulled me out of her pussy and took my cock in her mouth and started sucking it like crazy.

When I was about to shoot, she stuck one of her fingers at the outside of my ass hole and pushed it further and further in until I felt her knuckle bottom out. That's when I shot my load into her mouth and she kept sucking and fingering my ass until she got every drop out of me. And just when I thought she was done, she sucked my cock like a straw and pulled out what ever cum I had remaining in my balls. I felt my toes curl and my ass pucker around her finger. Once I relaxed she pulled back and released my cock from her mouth and pulled her finger from my ass. She wiped her mouth and finger and we both got dressed.

We exchanged numbers and have been having lunch together almost every day, although we've only had sex two more times in hidden corners of the Fair. I found out she lives outside of Houston and I'm on my way to Miami. I think it's time to find out if she'll see me after the Fair is done. We haven't had a chance to discuss this very much but if she does, I may just have to try to tap her delicious booty with my cock!

Update: It's early March and she has come a couple times to see me and I flew back to Houston once. Just so you know, I finally did tap that booty, and it was worth every minute of the wait.

*And just when I thought she was done, she sucked my cock like a straw and pulled out what ever cum I had remaining in my balls.*

You can see that I don't get much sun. I prefer it that way. I'm a creature of the night, and I prefer it that way, because nighttime is when I do my best sucking and fucking. No, I'm not a succubus, but I do appreciate them. Women who cum in the middle of the night to have their way with men!
